

# OFFICE REFRESH

17 July 2019

## OBJECTIVE

Bring the Volt Bank brand to life by adding colour and excitement to the reception area and wider office space at 41 McLaren Street.

This will be achieved through:

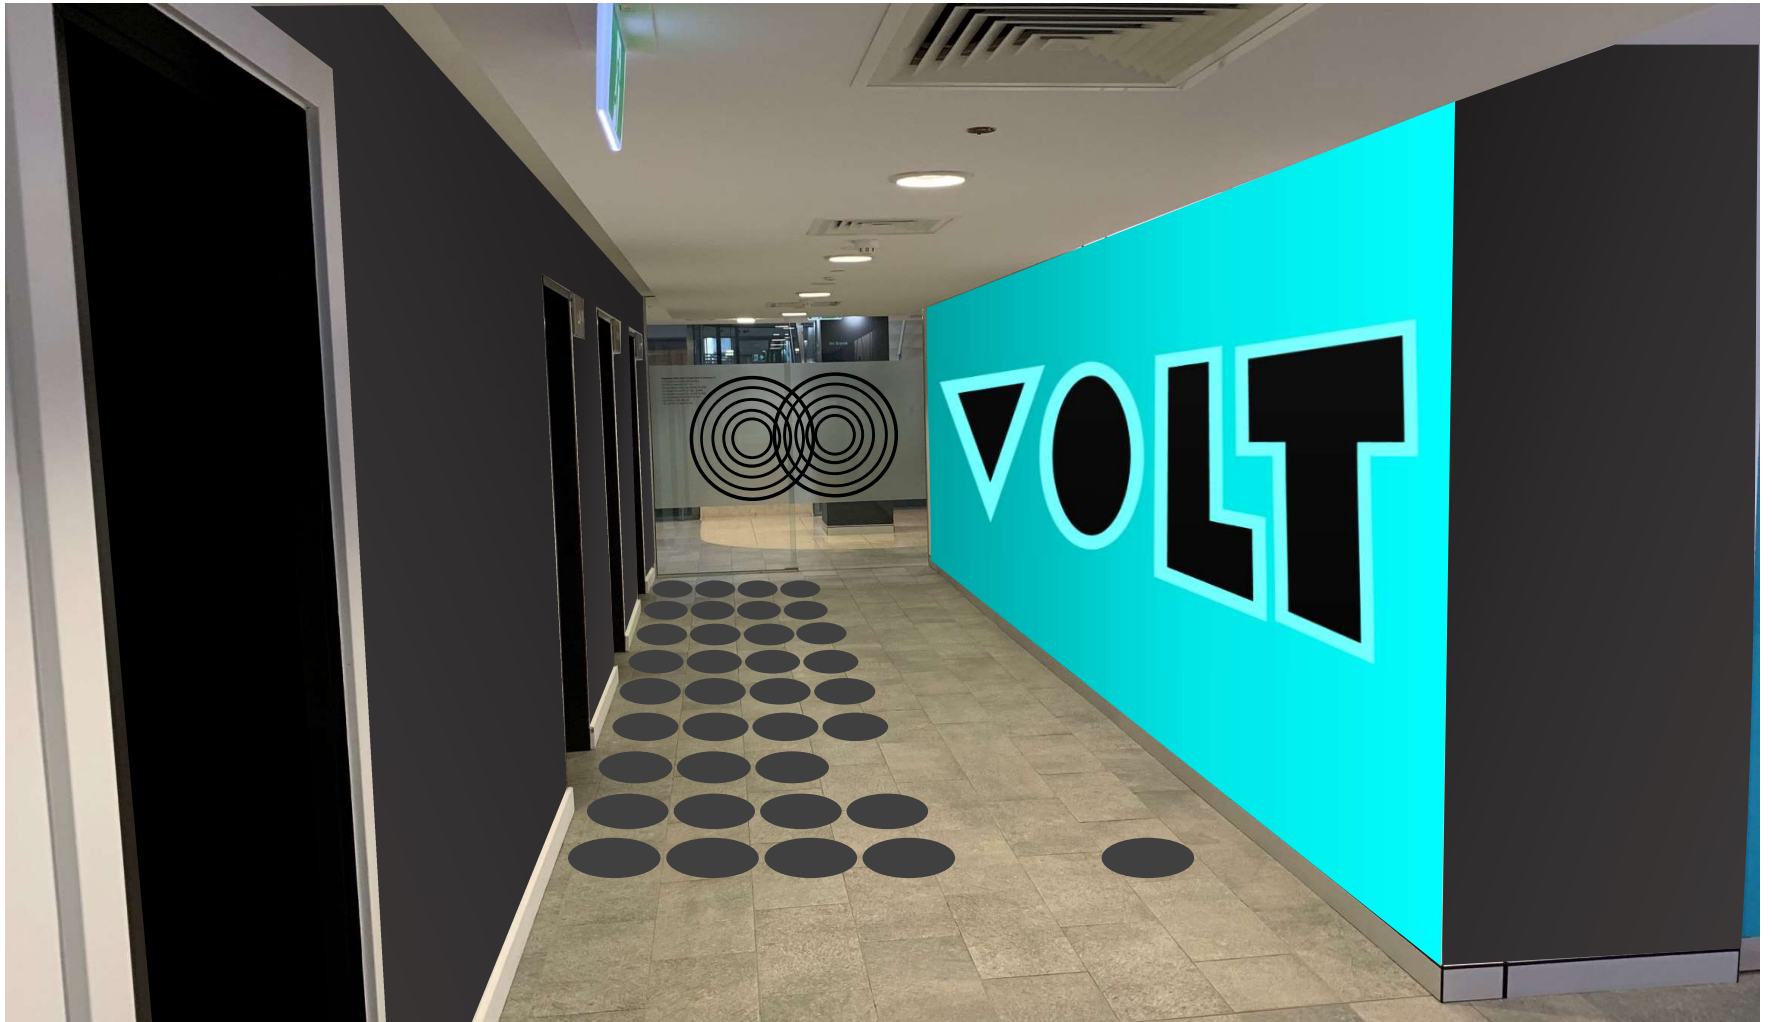

**Graphics** - logos, graphical elements and brand colours

**Brand messaging** - quotes, poetry, brand values/purpose and injection of cheeky TOV messaging (e.g. by lift buttons, card scanners etc)

This may also be an opportunity to inject the **Volt Bank brand look and feel** into some parts of the office with plants, furnishings etc.
